Sir

I have the honour to enclose in original a letter from K Venkatappa a scholarship holder of this School in which he asks for an extension of his scholarship for the reasons stated therein Venkatappa's application is strongly recommended and it is trusted that the way will be seen to grant this extension The applicant is quite young at present and it seems reasonable that he should ask to continue the period of his studentship His work is of a most promising nature a few examples of which are submitted herewith while his desire to make himself acquainted with relief work and sculpture is a very sound one In these circumstances it is hoped that his request will receive favourable consideration

I have the honour to be
